NEW ZEALAND FAMILY BUSINESS CONFERENCE

4TH APRIL 2019

**EVERYTHING YOU NEED
TO GROW YOUR FAMILY
AND BUSINESS CAPITAL.**

FAMILY BUSINESS CENTRAL IS PROUD TO ANNOUNCE THE FIRST NEW ZEALAND FAMILY BUSINESS CONFERENCE.

This exciting and unique one day conference is for anyone who is involved in a family business or farm. It provides practical, down to earth information as well as a chance to share ideas and experiences with other family businesses.

We've got two leading family businesses presenting on their experiences of leading and growing a successful family business—one being over 118 years old and in it's 4th generation. As well there are six interactive workshops to choose from.

These range from aligning your family with the business, growing a legacy, through to how to get your business ready for sale – and everything in between.

Bob Selden and Phil Pryor will be presenting on their 25 years of combined work with family businesses in three different countries on what great family businesses do and don't do.

So bring the family so they can all learn and share in this amazing day.
